COMPOSITE MATERIALS

Complete using the composites worksheet using the PPT.

CLASSIFICATIONS OF composites

Definitions
*What are **composite materials**?* *What is the **'Matrix'**?* **Types of Composites:** 1. *Laminar* 2. *Particulate* 3. *Fibre reinforced*

LAMINAR	PROPERTIES	USES	REASON
Plywood 			
Oriented Strand Board (OSB) 			

PARTICULATE	PROPERTIES	USES	REASON
Medium Density Fibre Board (MDF) 			
Structural Concrete 			
FIBRE REINFORCED COMPOSITES (FRC)	**PROPERTIES**	**USES**	**REASON**
*What are **fibre reinforced composite (FRC)** materials?*			
Glass reinforced plastic (GRP) 			
Carbon fibre reinforced plastic
